

## Purpose & Procedure

In an effort to provide smooth and quick services to citizens / transporters, Uttar Pradesh Transport Department has made the Road Tax Collection for Other State's Vehicle ON LINE. Through this service common citizens / transporters, who are coming to Uttar Pradesh from other state can deposit the Road Tax for vehicles online on a 24 X 7 basis.

Other state's vehicle owner / transporter can deposit On-Line Road Tax using the Internet Banking. So it is mandatory for depositor to have internet banking facility.

The online road tax collection has been facilitated for following two categories of vehicles –

1. Other State Vehicles which come to Uttar Pradesh
2. Contract Carriage Vehicles which operate in National Capital Region (NCR)

### **Other State Vehicles which come to Uttar Pradesh**

The vehicles registered in the state, other than UP can deposit

The customer has to visit the website and directly enter the details of it's vehicle for which road tax is to be calculated. The software calculates the Road Tax amount based on the parameters of vehicle. If the user accepts to make the payment then the site gets redirected to selected bank's Internet Banking Site. The user makes the payment through Internet Banking. The software generates a receipt, which can be printed by user.

For checking the authenticity of receipt, the transport department officials can see the payment details of vehicle on Internet using this web-based software. Various reports are also generated for transport officials.

### **Contract Carriage Vehicles which operate in National Capital Region (NCR)**

The vehicles covered under this category pay road tax on a regular basis. So, their vehicle and permit related information will be stored in database. For this category of vehicles, it will be mandatory to have their data (related to vehicle and permit) entered at specified ARTO/RTO offices. The vehicles paying taxes lately will also have to pay the penalty as per rules.

Here the user will have to do the following steps prior to depositing online road tax –

- a. The user will go to any one of the following ARTO/RTO offices in Uttar Pradesh –

Baghpat  
Bulandshahar  
Gautam Budh Nagar  
Ghaziabad  
Meerut

- b. In any one of the above said ARTO/RTO offices the user will tell that he/she wants to on-line deposit vehicle's road tax. The ARTO/RTO of that office will ask to produce Registration Certificate and Permit Certificate of vehicle to get the vehicle and permit details. After getting satisfied with the furnished information regarding vehicle and permit, the ARTO/RTO will enter vehicle as well as permit details on-line.
- c. Once the vehicle and permit details are entered by ARTO/RTO, user can deposit the road tax on-line.
- d. The user makes the payment through Internet Banking. The software generates a receipt, which can be printed by user.

For checking the authenticity of receipt, the transport department officials can see the payment details of vehicle on Internet using this web-based software. Various reports are also generated for transport officials.
